1 Industry Updates & Advisories

ICBs have temporary option to reduce or suspend scheduled service

In order to provide inter-city bus (ICB) operators the flexibility they need to respond quickly to public safety and transportation needs as they change during the COVID-19 pandemic, licensees have the temporary option to reduce or suspend scheduled services that they are normally required to provide. See [Industry Advisory of March 18, 2020](#).

Responsibilities of Licensees Operating Under TNSA (Ride-Hail) Licence

To provide a transportation network service, licensees with a TNSA must meet the requirements of the Act and regulations, including requirements to maintain care and control of vehicles and drivers to ensure compliance with the Act and regulations, and to meet ongoing NSC requirements. See [Industry Advisory of March 4, 2020](#).

“Extra” Weekly Bulletins

As needed, the Board may publish extra editions of the Weekly Bulletin, either on a Friday or a Monday. This is in addition to editions that are published on Wednesdays.
