Flat Rates for Whistler-YVR Limousine Trips Take Effect

Starting November 25, 2014, minimum flat rates take effect for limousine trips between Whistler and the Vancouver International Airport (YVR).

The new rates are set out in Part V of the Board rule for [Rates and Rules for Limousines in the Vancouver and Victoria Areas](#). We will mail the new rule to all limousine operators that have a Passenger Transportation Licence to operate on the Sea-to-Sky Highway and pick up passengers from Whistler or YVR or both. The rule includes a transition period for pre-existing contracts.

The introduction of minimum flat rates reflects current practices and clarifies what rates may be charged. The amended rates rule still allows an hourly rate to be charged; however, a minimum charge of 4.5 hours now applies to trips on this corridor.

New rates and rules for the Whistler-YVR limousine trips are set out in the [Board rule](#). They were previously proposed in an [Industry Advisory of October 15, 2014](#).
