Subject: ***Taxi Cameras in Lower Mainland Taxicabs***

Advisory: The Passenger Transportation Board approved a rule that continues the taxi camera program that was established early in 2004 by the former Motor Carrier Commission. This taxi driver safety initiative involves the 27 taxicab companies and more than 960 taxicabs and accessible taxicabs that operate in the City of Vancouver and Lower Mainland.

Reference: The Board's taxi camera rule of November 19, 2004, can be viewed at the Board web site at www.ptboard.bc.ca.
