# Taxi rates list

Updated: December 2025

There are two options for searching this table:

- Enter search terms in the search bar at the top of the table
- Enter search terms in the search bar at the top of a specific column.

The table will filter results so only the rows that contain your search criteria will be visible to you. If there is a licensee that does not have information listed in the Flag, Distance 1, Distance 2, and Wait Time columns, the licensee operates with non-metered rates.
