2024 Vancouver Cruise Ship Schedule for Transportation Network Services and Taxi Companies

March 27, 2024

Transportation Network Service (TNS) operators are reminded to review the terms and conditions (T&C) of their licence as the 2024 cruise ship season begins in Vancouver. All TNS licensees in Region 1 are to abide by the designated Geo-Fencing T&C (listed below), which prevents drivers from entering, or picking up passengers at Canada Place cruise ship terminal and, the adjacent block on cruise ship days. While subject to change, the cruise ship schedule, is listed below:

2024 Cruise Ship Days (07:00 to 19:00):

- April 30
- May 1, 3, 4, 5, 6, 8, 9, 10, 11, 12, 13, 18, 19, 22, 25, 26, 27
- June 1, 2, 5, 8, 9, 10, 11, 15, 16, 19, 21, 22, 23, 24, 25, 29, 30
- July 1, 3, 6, 7, 8, 13, 14, 17, 20, 21, 22, 24, 27, 28, 31
- August 1, 3, 4, 5, 10, 11, 14, 17, 18, 19, 20, 24, 25, 28, 30, 31
- September 1, 2, 7, 8, 9, 11, 14, 15, 16, 18, 20, 21, 22, 25, 28, 29
- October 4

Taxi companies in the City of Vancouver, including those previously approved for “Peak Period” operations, should take note of the 2024 cruise ship dates and anticipate events such as the Celebration of Lights.

The Board will continue its efforts to ensure that the 2024 cruise ship schedule is up to date. If there are any future changes or amendments, this advisory will be updated accordingly.

Geo-fencing

TNSs operating in the City of Vancouver (in Region 1) must geo-fence off the areas listed below in (a) to (c) on cruise ship days to prevent drivers from picking up passengers

(a) Canada Place Way between Howe Street and Burrard Street;
(b) Howe Street between Canada Place Way and Cordova Street; and,
(c) Burrard Street between Canada Place Way and Cordova Street.

The Board will post a link to the city’s cruise ship schedule, when available, in March or April of any year.
