## Application

1. This rule applies to all licensees granted a special authorization with a designated TNSA.

## Transaction fees

2. Licensees may not charge or collect compensation from passengers, in addition to their advertised rates, in order to recover/offset transaction fees or any other fees or charges imposed on licensees by credit or financial companies (i.e. credit card surcharges).

## Discount rates

3. For certainty, the use of any coupons or discounts that reduces a fare charged for a ride to an amount below the TNS minimum rates in Rule 17 is prohibited.
