Our request is based on a decision of the PT Board to allow taxi companies to request a 2023 Taxi & Limousine Cost Index (TLCI) increase of up to 7.3% for taxis. The decision is based on Consumer Price Index (CPI) data for BC from March 2022 (the last TLCI intake) through June 2023.

You are receiving this notice for information only. Local government comment or action is not required. More information about taxi rates in BC and TLCI rate increases is on the PT Board website at:
