

About this Form: This form may be used if you are applying for a:

- ✓ new licence to operate a taxi that will charge metered rates.
- ✓ new metered rate(s) alongside a proposed new service not already covered by your current rates.
- ✓ change to your licensee specific approved taxi meter rates.

! Note: *Rates are not effective unless approved by the Passenger Transportation Board*

Applicant

Legal Name: _____

Step 1: Identify your passenger transportation region (#1-5): _____

See the [Passenger Transportation Regions Policy](#) for a detailed description of each region.

Step 2: Identify your rate structure and fill out **only** that part of this form. More information about each rates structure can be found on the Board's [Taxi Rates](#).

- ☐ Rate Bands – Complete Part 1: Rate Bands
- ☐ Common or Standard Rates – Complete Part 2: Geographically Restricted Rates Rules
- ☐ Licensee Specific Rates – Complete Part 3: Licensee Specific Metered Rates

Part 1: Rate Bands

Based on your passenger transportation region, write your proposed flag, distance, and time rate, inclusive of GST. Remember, your proposed rates must comply [Rates Rule 3 – Rates Band](#) for your passenger transportation region. You can use the [Board's rate bands calculator](#) to verify if your rates comply.

Rate Type	Proposed
Flag Rate	\$
Distance Rate (per km)	\$
Time Rate (per hr)	\$

Using your proposed rates what is the 5-kilometer trip cost?: \$_____

5km trip = Flag + (Distance x 5)

Indicate the price increment of taxi fares that are displayed on your meter:

- ☐ \$0.10 ☐ \$0.15 ☐ \$0.20 ☐ \$0.25 ☐ Other: _____

Part 2: Geographically Restricted Rates Rules

Select the geographically restricted rates rule below in which the originating area of your proposed service(s) will operate.

- ☐ [Capital Regional District](#)
- ☐ [Fraser Valley](#)
- ☐ [Kelowna](#)
- ☐ [Metro Vancouver](#)
- ☐ [Nanaimo](#)
- ☐ [Penticton](#)
- ☐ [Port Alberni](#)
- ☐ [Prince George](#)

See each rule for a detailed description of the applicable area and rates that apply.

Part 3: Licensee Specific Metered Rates

Licensees may apply to the Board for [licensee specific metered rates](#) to accommodate unique circumstances and business models outside the established Rate Bands, Common Rates, or Standardized Rates Rules. Applications requesting licensee specific metered rates should provide additional supporting documentation for their request.

Metered Taxi Rates

Flag Rate:	\$	
Distance Rate:	\$	per kilometer
Time Rate:	\$	per hour

Goods and Services Tax (GST) **is included** in the rates set out above.

Meter Increments

Indicate the price increment of taxi fares that are displayed on the meter.

☐ \$0.10 ☐ \$0.15 ☐ \$0.20 ☐ \$0.25 ☐ Other: _____

Other Metered Rates (if applicable)

If the meter calculates any rates other than what is noted above, list the rates and reason in this section:
